Easy Eject (quick knife extraction device)	optional

Special designs and features on request.

Typical fields of operation:

- adhesive tape / labels
- plastic foil
- textiles / nonwoven
- rubber
- paper
- and many more

Benefits:

- exact cutting width due to narrow manufacturing tolerances
- waste reduction due to precise alignment to the bar
- long service life due to hardened side panels
- user friendliness due to easy handling
- optional features can be upgraded on demand
- usable with different crush cutters, perforator and profile knives

DIENES also manufactures the corresponding crush cutters, glass-hard shafts and rings, dovetail bars (different dimensions) as well as spacers.
